Division of Public Health Updates Accreditation: <ul style="list-style-type: none"> • Evidence submitted to the Public Health Accreditation Board (PHAB) in September, 2017 • Mock site visit on April 12-13, and actual PHAB Site Visit May 7-8. They may have corrections that will need to be implemented. • This whole Accreditation process has made the Division better. • The Accreditation team is trying to figure out what partners will be involved, including those from the Public Health Council. Council members are encouraged to follow-up with Chuck if there are questions. Communicable Disease Funding included in 2017 Wisconsin Act 59 : <ul style="list-style-type: none"> • This funding was a first-of-its-kind effort. • It is available until the end of June, and then the second part of the biennium starts after. Looking at making this a permanent funding stream for the future. • Stephanie Smiley (Communicable Diseases Director) is working with local health departments on the process for distribution. • Mary Dorn thanked the Council members for supporting this issue. Dementia: <ul style="list-style-type: none"> • The second Dementia Summit was held at Wingspread in Racine County for local health and industry partners in March. Gary Garske (Portage County) was
